

Corporate Catering

At The Lime Box Café we provide corporate catering for events and meetings. In particular, we provide sandwich, focaccia and wrap platters, fruit platters and mixed muffins and slices.

We can also provide coffees and drinks to order, and can meet dietary requirements, such as gluten free, vegan, vegetarian and dairy free options.

Currently, catering is only offered during Café opening hours (7am – 2pm). If you have an evening or mid-afternoon event in Pakenham you will need to contact us directly for availability. We only offer delivery within Pakenham.

If your event or meeting is within the Toomah Community Centre, we will bring all catering to your meeting room at your specified time/s.
